Prior to beginning installation please check your order to be sure that everything is correct, i.e., year, make, model, color, material, etc. If we sent you the wrong item, we will gladly accept it back for credit and ship you the correct item providing the incorrect item is returned in saleable condition. No credit will be issued for incorrect items if installation has been started.

All convertible tops are warranted to be free from defects in material and workmanship for a period of five (5) years. Damage resulting from incorrect installation, shipping, incorrect cleaning solutions, improper cleaning methods or atmospheric conditions is the responsibility of the installer and/or buyer. Adjustments are prorated from date of installation based on an estimated normal product service life.

No warranty applies to plastic windows, glass windows, thread or zippers. All convertible top components listed above were new and in working order when the top shipped from the manufacturer.

Warranty applies to the original purchaser only and is non-transferable.

We strongly recommend all convertible tops be installed only by an automotive trim and upholstery shop because they have the required experience and tools.
