Ford Passenger Car 1957 - 1979

- * Acme has the broadest range of Headlining Patterns worldwide that has been in continual use since the individual models were built.
- * The Headlining is made of the highest quality headlining weight vinyl or cloth available.
- * The Headlinings are tailored to fit the individual models. A center line is drawn on the back to assist alignment. Three inches of excess fabric is allowed around perimeter for stretching and trimming.
- * Metal Support Bows are re-used (transferred) from the old headliner. If bows have been discarded, replacement hardware is available that can be fitted by the installer.
- * Headlining ships within 2 - 5 business days.
- * Drop shipping is available at no extra charge.

All Headliners listed below are available in the following materials. Please add color # to end of part number when ordering.

Napped Cotton, used 1957-1963

44-1 Taupe, 668-1 Maroon, 336N-1 Beige, 45-1 Grey, 267V-1 Ivory, 514-1 Light Green, 104-9 Dark Green, 106-2 Aqua, 105-3 Medium Blue, 60-2 Black

**Scrape & Cover. Board style headliner. Headliner kit consists of yardage only Nylon Cloth with 1/4" Foamback

***Scrape & Cover. Board style headliner. Headliner kit consists of yardage only Tier Grain with 1/8" Foamback

****ABS Plastic Headliner covered in Foamback Cloth replaces factory cardboard headliner. If the old headliner shell is in tact and restorable, please order the "yardage only" Scrape & Cover Kit 79-3111 (Coupe) or 79-3112 (Hatchback). Or, if the old headliner is damaged or discarded, please order the ABS Plastic Replacement Headliner Shell covered in the appropriate foam back material. AFH31 - Coupe or AFH32 - Hatchback.

Mercury Passenger Cars 1959-1979

- * Acme has the broadest range of Headlining Patterns worldwide that has been in continual use since the individual models were built.
- * The Headlining is made of the highest quality headlining weight vinyl or cloth available.
- * The Headlinings are tailored to fit the individual models. A center line is drawn on the back to assist alignment. Three inches of excess fabric is allowed around perimeter for stretching and trimming.
- * Metal Support Bows are re-used (transferred) from the old headliner. If bows have been discarded, replacement hardware is available that can be fitted by the installer.
- * Headlining ships within 2 - 5 business days. Drop shipping is available at no extra charge.

All Headliners can be made in any of the materials shown below. After each part listing is indicated what material is original or most common for that particular model. Please add color # to end of part number when ordering.

Napped Cotton - This material is a suggested substitute for the Overprint Cloth used for the 57-58 Mercury and for the Woven Cloth used in the 59-60 Mercury.

44-1 Taupe, 668-1 Maroon, 336N-1 Beige, 45-1 Grey, 267V-1 Ivory, 514-1 Light Green,
104-9 Dark Green, 106-2 Aqua, 105-3 Medium Blue, 60-2 Black

#541 Black Dot - Off White Vinyl with Black Dots silk screened.

This material is a reproduction of original headliner material used in the 1957 to 1960 Mercury.

Single Hole Perforated Vinyl

This material is a reproduction of the original material used in the 57-59 Mercury, all 69-70 Cougar and 71-73 Cougar XR7
VH7 Black, VH5 White, VH6 Off White, IM3 Grey, IM2 Buckskin, IM1 Neutral

Basketweave - suggested substitute for the Sequin Grain used in 19 60-62 and "E" Pattern Grain used in 1963-64

6769B Black, 6418B White, 6517B Light Blue, 6506B Aqua, 6407B Fawn, 6805B Medium Blue, 6777B Red

Crater Grain Vinyl - Reproduction of original material found in most 1964-70 vehicles

9 Med. Blue, 10 Dk.Green, 11 Black, 12 Off White, 13 White, 14 Lt. Blue, 15 Aqua, 16 Tan, 18 Taupe, 19 Red,
20 Light Green, 49 Dark Aqua, 50 Saddle, 51 Parchment, 119 Bright Red

Foam Backed Crater Grain Vinyl - for 1964-65 Comet Cyclone

FBH 40 Off White, FBH41 Black

Tier Grain Vinyl - Reproduction of original material found in most 1971 to 1979 Mercury

21 Black, 22 White, 23 Ginger, 25 Tan, 26 Dk.Blue, 27 Light Blue, 28 Wedgewood Blue, 29 Silver Grey,
30 Dk.Brown, 46 Red, 47 Maroon, 48 Turquoise, 52 Dk. Red, 53 Chamois

Foam Backed Tier Grain Vinyl - for 1978 & up Zephyr and 1979 & up Capri

FBH30 Blue, FBH31 Brick, FBH32 Chamois (Orange), FBH33 Red, FBH34 Black, FBH35 White

Foam Backed Cloth - for 1979 & up Marquis

1608 Saddle, 1755 Lt. Buckskin, 1808 Lt. Grey, 1769 Charcoal, 1855 Maroon, 1611 Red, 1571 Sage Green, 1568 Lt. Blue, 1665 Dk. Blue

* **Headliner Padding Kits and Hardware Kits are available.** Kits consist of 4 yards of 3/8" thick padding, 36" wide. Installer must cut

to size and glue to roof between bows (rods). New padding is applied using contact cement (not included); one can is required.

Part No. HLPAD - \$20.00 (includes 4 yards of Jute Padding 3/8" thick x 36" wide)

Part No. BOWSET - \$60.00 (includes 10 Bows 60" x 5/32" and 20 Headliner Brackets)

Mercury Models with Board Type Headliners

Some 1957-79 Mercury's used as original equipment a board (rigid) style headliner. These models are listed below along with a brief description of the installation process.

1. Full Size Wagon 1957-64 - Conversion Headliner with Bows
2. Comet Cyclone 1964-65 - Conversion Headliner with Bows or Scrape and Cover Kit
3. Zephyr 1979 and up - Scrape and Cover Kit
4. Marquis 1979 and up - Scrape and Cover Kit
5. Capri 1979 and up - Scrape and Cover Kit or ABS Replacement Headliner Shell

Conversion Headliner with Bows

1. Original headliner as well as any stays between card board panels is discarded.
2. Replacement headliner (pre-sewn and tailored to fit that specific model) includes bows (rods) to support suspended headliner.
3. Bows are fitted to roof of car (measuring and drilling required). Headliner is stretched in place, edges trimmed and finished much like a conventional headliner installation found in a vintage car.

Scrape and Cover Kit Headliner

1. Old headliner board is removed and resurfaced. Remnants of old fabric and foam is scraped (or sanded).
2. Replacement kit consists of fabric only (foam backed) and is applied using contact cement (not included).
3. Excess fabric is trimmed and headliner board is re-installed in car.

ABS Replacement Headliner Shell

Reproduction of original headliner in ABS Plastic (approx. .100" thick). Holes are cut out in shell for dome lights, sunvisors, etc. ABS headliner can be purchased uncovered (to be covered by installer) or pre-covered in matching factory colors. Note: ABS headliners are rolled and shrink wrapped. They ship UPS Oversize 2.

Headliners Only
